#### CORE Counseling and Mediation

In a private practice setting I meet with individuals and couples to help work through various mental, emotional, and spiritual issues using evidence-based methods to help clients to move towards their preferred future desires. I meet face to face and via telehealth (video conferencing). I do some smaller mediation cases and am hoping to grow this area of my practice.

Since 2023—Serve as the counselor for Project Rescue (a faith based (Christian) residential alcohol and drug rehab facility)

#### Counseling Practicum 2023
