Dear Office of Sponsored Programs and Research,

Please use this letter as an official faculty sponsor letter for Jeremy Gillentine L26573127. He is a doctoral student in good standing with a GPA of 3.2 or above. I am recommending this student be awarded funding because he authored an outstanding professional presentation that was accepted to a prestigious national conference within our professional guild of counselor education and supervision. Attending national counseling conferences requires a significant financial commitment that can be a barrier for many students. This funding will impact Jeremy by presenting his work, attending other presentations, and having opportunities to network with others in the field of counselor education and supervision. If you have any questions, please contact me at (434) 592-4060 or email at lrbohecker@liberty.edu.

Sincerely,

Lynn Bohecker
